B2B SaaS Account Management professional with a track record of driving renewals, retention, and expansion revenue across India/US markets. Proven ability to sustain high renewal rates and minimize churn through proactive account management, stakeholder mapping, and data-driven forecasting.

PROFESSIONAL EXPERIENCE

NEWFOLD DIGITAL, MUMBAI, INDIA | ACCOUNT MANAGER

FEB 2024 - AUG 2025

- Managed a 80-account portfolio in the US SMB market, securing \$200K+ in annual renewal revenue through stakeholder mapping and consultative account reviews.
- Sustained an 86% monthly renewal rate across accounts due for renewal, minimizing churn through proactive account management.
- Drove a 20% upsell rate by analyzing account usage patterns and recurring pain points, then guiding customers toward higher-value plans that addressed their long-term needs.
- Ran QBRs and proactive check-ins across the account portfolio, monitoring account health signals to unblock deal bottlenecks and drive 100% renewal target attainment.
- Drove account management process efficiency by building SOPs and enforcing CRM data hygiene to build forecasting dashboards that flagged at-risk renewals and lifted team-wide retention by 2%.

LOOP HEALTH, MUMBAI, INDIA | SDR

SEPT 2023 - JAN 2024

- Achieved 100% of Q4 2023 meetings-booked quota, converting ~25% of pipeline into demo-ready opportunities by building data-backed business cases quantifying financial impact for C-suite buyers.
- Self-sourced 40% of pipeline through Sales Navigator, Apollo.io and leveraging and existing relationships. Built and executed a top-down account mapping and lead qualification strategy backed by high-volume daily outbound (cold calls, email sequences)

NEWFOLD DIGITAL, MUMBAI, INDIA | SALES SPECIALIST

NOV 2020 - SEPT 2023

- Delivered \$140K+ in annual new business by translating SMB business needs into scalable digital infrastructure solutions.
- Drove \$75K in incremental revenue through a targeted upsell campaign, designing product bundles and value-based positioning for existing clients
- Trained 3 new hires on outbound process and qualification standards, contributing to the team overachieving targets in the first two quarters.
